Dear Parent/Guardian,

Talented & Gifted – First Team Match Tickets

As part of the Talented & Gifted your son is entitled to attend all Walsall FC First Team home games for FREE!

In many cases he will have to be accompanied by you as Parent or Guardian.

This season therefore we are looking to introduce a brand new system and price structure for you as parents that will allow you to accompany your son at a **very attractive price**.

We really want your child to feel part of the Club and I believe that being able to come to First Team home games at affordable prices will play a big part in this.

With immediate effect, you as parents will be able to order your tickets direct from the Banks's Stadium Ticket Office at a reduced rate of only £13.00 per ticket, when accompanied by your son!

Simply contact David Malia in the Ticket Office on **01922 651 414/416** to order your tickets. David has a record of every member of the Talented & Gifted and will be able to facilitate your request.

The only conditions are that the Member of the Talented & Gifted must attend the match and may be accompanied by up to a maximum of two parents/guardians.

Applications to the Ticket Office must be made before 12:00pm the day before to the game.

Tickets will be allocated in the Floors-2-Go Stand Middle and Upper tiers only giving you access to the Stadium Suite.

I hope that you will see this as a great opportunity for both you and your son to get more involved and feel part of the 'Walsall FC family'.

Many thanks

Stefan Gamble
Chief Executive
